PAD PRINTING

Pad printing delivers the highest quality finish and is perfect for nearly EVERY product. We can pad print simple one colour designs up to full colour images.

Pros: Crisp high quality finish

EMBROIDERY

Embroidery is a luxurious option for branding textile-based products. We digitise your designs, provide swatch approval, and then transfer the finalised design onto your products. It is our care and attention to detail that sets us apart.

Pros: High quality, beautiful thread finish

DIRECT DIGITAL

Direct Digital printing applies complex multicolour graphics onto textured surfaces and materials.

Pros: Perfect for multicolour printing

CUSTOM DECALS

Our decals are transferred onto your product using heat and pressure to ensure a lasting, quality finish. Full colour designs, and large size prints are all possible.

Pros: Achieve large decoration areas

LASER ENGRAVING

Laser Engraving produces outstanding results with simple monochromatic designs. Offers a high detail, long lasting branding option that will outlast the product itself!

Pros: Legible small details

Hard work equals reward, whatever your field. If you've got a team who perform top, why not gift them with something Oakley. Co-brand with us for your next GWP, sales incentive, or corporate gift.
